Omae no Gokonshi wa sono teido ka?
Haa...
Haa.
It's not really a high mountain, but...
It's pretty steep...
A text message
But I bet it's that again...

TITLE: Dear Ryouta
Dear Ryouta Asagiri
Where are you at the moment?
Because I don't know where you are,
I am very worried.
Because, I am your. No,
please don't make me say it any further than this.
Tomorrow is Monday, right.
I will bring you a lunch that I'll put all of my skill and love into.
It will have a unique ingredient from my body that can't be found anywhere else in the world, and it will surely make you become even closer to me.
Last night, I listened to the recording of your voice on endless replay again, and it let me have a good dream.
Thank you.
Unique ingredient?
Jeez! Cellphones nowadays sure are advanced...

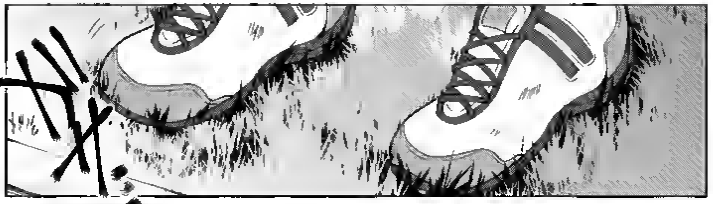
TITLE: Sorryy!
So you really did leave from what I did to you this morning. I'm really sorry!!! I guess I should've't have tried to cross the boundary of a normal family relationship. Yeah, it's gotta be that. to take your pants off when you were asleep, right? You know, I really didn't mean anything indecent when I did that, ok? I just thought I should put it in the laundry, so I tried to take it off. It definitely was not from dirty desires. It also wasn't from thoughts like "I can't see you as just a little brother anymore". Actually, I can't help it anymore I feel warm whenever I think of you, my body feels warm
プルルル

Maybe I should throw away my cellphone now.....
フラッ...

It's my older sister!!

February 14th
Valentine of Hell
Kyaaa Ryoutaaa!!
But...
I'm happy that I'm popular
Even this unpopular mountain isn't a safe zone
The girls crowding my front lawn
The envying guys
I barely survive everyday
はぁ...
Kiyomizu's text message reminded me of all this...

Make my grandson popular to girls!!
In exchange for shortening 30 years of my life
My physical appearance is definitely some curse
My 98-year old grandpa (Still alive)
ドドド
ドドド



But it sure is quiet
I wish there were more people around..

Phew ...

CLACK
Yikes.
It's a girl...
CLACK
CLACK
Oh
CLACK
She's a cute one...

Girls are my enemy
SHAKE
No no!
Act normally Act normally.
UM
Excuse me!
サァァ
Crap..

This also happened last week
I love you!
Uh... sorry...
I have a bad feeling about this..
.....
Umm... Are you...
Wh...
What... might you want with me?

Japanese?
...yup
Both my parents and grandparents are all Japanese
...I see! Yes!
I'm really happy!
I feel as if I've just met a Yetti or a Tsuchinoko on a mountain!

Like a sick relative that's expecting you...
UMM do you have any urgent businesses or anything?
Umm... Next is...
Introduction to Manners
Ah, there it is there it is
"Minion"...?
Or a monster that you must defeat within the next 3 minutes (Reference to Ultraman)
Or your friend Selinuntius who you must save from being executed by the Tyrant by the end of the day (Reference to "Run, Melos!")
Or a lover who's transferring overseas tonight and wishes to see you one last time
I don't have a lover nor any sick relatives
Nor am I the main character from "Run, Melos!"
Nor am I from the M78 Star so everything should be fine..

What's up with this kid...
I see...
She's blond, so maybe she's not Japanese
Then...
What do you think about Japan's lifetime employment system?
Is she testing me if I really understand Japanese or not?

Hmmm...
A street survey ...?
If you could work at an established company until retirement with stable employment
Would you choose that rather than a job with an uncertain future?
Yeah, I'd prefer the stable job since my parents wouldn't be worried that way
I hear that getting laid off is a major problem these days
Then...
this is my last request!

Assume a stance that you'd make when your picking up a hundred dollar bill that you've just found
... please do that!
!?
Err.. though you might think it's gross, I'll just say this ok?
Don't kiss me or anything while I'm crouched, got it?
It's just that I've been almost kissed by an elementary schooler in the past, after she had said something like that...
I-It's okay!
I won't kiss you or anything!
ぶぃっ ぶぃっ

Then... I'll crouch here
Please stay still
Okay, but what are you gonna do?
I'll swear on the Emperor that I won't do it!!
O-oka y.
Which empire is this "Emperor" from...?
"I'M gonna bite you"

MUNCH
OWWWWWWW!!

I've never even heard of it!!
Good... He's losing weight
It said so in the textbook!
Even if it's my first time, I can do it if I take it slow...
Is this also because of the curse?
I even get attacked by a girl who bites...
Rather ...
It... kinda feels good?
It doesn't hurt...
Huh..?
Good...!
I can't... summon up any strength ...
Well then, young man..

Um...
Ryouta Asagiri
Then how old are you? What grade are you in?
Hmph
What is your name?
I'm a second year in high school
What are you saying! I'm a high schooler no matter how you look at it!
You look like you're only in... Middle school...
I'm a high schooler in accordance to both the Japanese law and the Empire's law!
Wh!?
Yes! Good, good, I'll praise you for that!
I see! So you're in the same grade as me!
Same grade...?

Alright! Ryouta, you are my, Shiren Fuyukura's Minion from today onwards
It's like a combination of a kin, a servant, a housekeeper, and a butler.
I'll have you work hard!
I'll give you bonuses depending on your work ethic!
"Minion"?
I guess it's like a butler or a maid -
Alright Ryouta, here's your first duty
Never leave me alone, no matter what

.....huh?
Ouka...
U...
Uhhh...
Maybe I was saved by so-meone?
Good...
She couldn't be sleeping beside me...
Wh...
Firstly, I wonder if there's anyone around
JINGLE
.....?
What the hell is this!?

A chocker...!? Perhaps I was kidnapped!?
Moreover, to a sicko's house!?
I wonder how long I've been sleeping for...
As far as I can remember, today should be Sunday, September the 8th...
Wh... at!?

What the hell is Revolution Month?
Is it some kind of a girly occult-trend?
!?
REVOLUTION MONTH
"Emperor Month"...!?
"Development Month"
"Great Victory Month"
What about the other months!?
What the hell is this!? It's so fishy!?
Oh, I see you've awakened

How's your first awakening as a Minion?
I, Shiren Fuyukura, will be your master starting today!
Be sure to do you job well as a Minion!!
Hey you! Uhh.. Fuyukura
Suddenly biting people and -
Now, my Minion
Here's your first task!

First, you must clean up this room!
Hey, don't point your finger at other people
It's bad manners
You got it? Make sure you differentiate between plastic garbages and paper garbages
So plastic bags would be plastic garbages
Oh, how do you dispose of aerosol cans?
No... what I'm saying is...
Also, if you ever happen to find cockroach-like things in the corners of the room, make sure to dispose of it immediately
I'm telling you not to point your finger at people
STOP POIN-TING!
Also, the vacuum is in the back of the storage...
I'M TELLING YOU!

I'M. Telling. You!!
By the way, start cleaning!
Quit pointing with that right finger!
This room will be your bedroom from now on
But I forbid you to hide perverted books under your be...

TL: She's saying it in a really bad english - note that they're originally speaking in Japanese

Besides, I see you didn't understand how to say "clean" in English...
I don't want to, even if you say it in English
Pleeze.. osouji dis room... okay?
Why couldn't you just say "clean"?

*TLN "Osouji" means "clean" in Japanese but "clean" in English is also understandable as it is

How come this Minion doesn't listen to my commands...?
Huh.
Then go weed the yard!
I should be the only bloodsucker here!
...then
Make sure to inscribe my name on it with ketchup!
Make a red omelet-rice for today
Cook something!
詩人の詩に
Do it yourself
I refuse
Give me any more orders and I'll spray pesticide in your mouth
And besides, the letters of your name are way too complicated for that

I'm te-lling... you
ゲッ
Do your duties as a Minion!!
I'm telling you! Do something!
What the hell is a "Minion"!
Who the hell are you anyways, suddenly biting me like that!
to turn him into a Minion!?
Could it be that I failed -

How about you spin around three thousand times
Spin around three times
The easiest method to tell if he became a Minion or not is -
Huh...
There it is!
to strongly urge him to
"spin around 3 times and say a ridiculously funny joke"
"In cases where a person has not become a Minion
UHHH...
even after biting him/her for nearly 3 minutes.."
Are you sure you're not a legitimate middle schooler who's turned 13 yesterday?
I'm a legitimate high schooler who's turned 17 last month...!
Whaat!?
In cases where a person has not become a Minion even after biting him/her for nearly 3 minutes the following cases can be considered
(1) You are too young, thus your saliva does not contain the fluid that turns a person into a Minion You should wait until you are 15 years or older
(2) Are you really a Sacred Blood? If you are a Japanese who only beheves that you're a Sacred Blood, you should consult a doctor for mental diagnosis
(3) Other special reasons

Your height definitely isn't close to an average high school girl's.
UGH!?
It's alright I didn't wound your face
You... one-sidedly attacking is a trans-gression...
It wasn't supposed to be like this.....
H-How could this...
Argh! Constantly talking back...
That's not the problem!

Uhh...
.....
I'm gonna go home soon. I'll walk to the Miyaeki station
Frankly, I could charge you but
You only seem confused, so I'll let you off on it
?
The JR route is on halt
Was there some kind of accident?
Well.. there should be a bus running from the station to Ooshiro...

Hey...
Where ...
Is this place?
.....
All routes are blocked
The only ones running these days are the Empire's domestic ones
That bus is also on halt
No. I'm telling you that you can't leave the Empire
?
Se-riously ...
W... Well I guess I could walk 4 hours to Ooshiro City
